Hello,

On behalf of the Mount Pleasant Chamber of Commerce (MPCC), welcome to the 3rd Annual Know Your Lawmaker! We are proud to offer this opportunity for our MPCC members and our community to have one on one conversations with their elected officials on matters of importance to us all as business and community leaders.

We want to thank our lawmakers for attending and taking the time to engage in conversation with us all. We also thank our valued sponsors who have enabled this event to be possible. I also thank our MPCC members who help make our chamber the fastest growing chamber!

If you are a guest this evening, I encourage you to talk with one of our MPCC members and learn more about how you can join and help meet our mission of encouraging business and community success East of the Cooper. We have several networking events each month, special programming and committees for you to make the most of your MPCC membership. Please reach out to me directly at Michael@MountPleasantChamber.org or our MPCC Director, Rebecca Imholz at Rebecca@MountPleasantChamber.org.

Again, I thank you for being a part of our 3rd Annual Know Your Lawmaker!
